Academic Integrity Declaration

Academic Integrity is a core value at UQ. We all need to act with courage to take our responsibilities seriously and uphold honesty, trust, respect, and equity, particularly in assessment. For you as a student this means:

- completing your assessment tasks, whether face-to-face or online, in an honest, fair and trustworthy manner
- acting responsibly, based on your lecturer or tutor's instructions, and not giving or receiving any unauthorised assistance to others in completing assessment tasks
- commitment to act honestly and refusing to take any action that would break trust with your peers and lecturer/tutor

By undertaking this online assessment you will be deemed to have acknowledged UQ's Academic Integrity Pledge (above) and to have made the following declaration:

"I certify that my submitted answers are entirely my own work, and that I have neither given nor received any unauthorised assistance on this assessment item".

FREN1010 : *You are allowed to use your book, dictionaries and typeit.org but no automatic translation software or other online resources.*

- Read the statement carefully
- We recommend to use **Google Chrome as your browser**
- Scroll down in section 1 until you see the box where you should write your text
- You have **25 minutes** to write **a text in French + 5 minutes perusal time**. Keep calm and focus. It is just a short written task
- You have to write about the topics given but you can also use any pertinent vocabulary learnt from the beginning of the semester
- Don't forget to use **accents**. If using type.org instead of keyboard remember that when copying and pasting the text from the website to the allocated box in section 1, use CTRL + C and CTRL + V. Sometimes copy and paste doesn't work when using the mouse
